

KENNEDY SPACE CENTER VISITOR COMPLEX MEETINGS & EVENTS

Find inspiration

at the place where the mission for exploration is still alive.

On a mission to discover something different from theme parks, convention centers and hotels? No place on Earth leaves an impression quite like Kennedy Space Center Visitor Complex. Corporate outings, day excursions, consignment ticket programs, meetings and private events take center stage for an experience unlike anything your guests have ever seen or done before.

Go behind the gates of NASA, stand nose-to-nose with space shuttle Atlantis, get a jaw-dropping, up-close look at the mighty Saturn V Moon rocket, and explore what is happening right now with NASA and its commercial partners inside the all-new Gateway: The Deep Space Launch Complex. Time it right and feel the rumble of a rocket launch and see a glimpse of the future at the place where it all began.

In addition to hosting events at one-of-a-kind venues, reward your employees for their hard work with an inspirational visit utilizing our consignment ticket program. Groups can choose experiences to customize their day filled with unforgettable memories, only at Kennedy Space Center Visitor Complex.

MEMORABLE EVENTS

Kennedy Space Center Visitor Complex's event and meeting spaces will impress your guests like nowhere else on Earth. We can accommodate a variety of events, large or small. Our in-house and full service catering team offers many menu options, and our planning professionals will execute your event to perfection.

Let our experienced team take the stress out of planning. Be surrounded by the story of space exploration while keeping your attendees engaged, energized, productive and inspired.

OPTIONS INCLUDE:

- Corporate outings
- Team building
- Customized group tours
- After-hours events
- Weddings
- Park buyouts

EXCLUSIVE BUYOUTS

Imagine experiencing the thrill of having Kennedy Space Center Visitor Complex all to yourself. After-hour buyouts are an impressive option for any organization or group looking to make a lasting impact for your attendees. Guests will have exclusivity of Kennedy Space Center Visitor Complex* including Space Shuttle Atlantis®, Gateway™: The Deep Space Launch Complex, Heroes & Legends featuring the U.S. Astronaut Hall of Fame®, Journey To Mars: Explorers Wanted, and more.

**does not include bus tour or access to Apollo/Saturn V Center*

ENHANCEMENTS:

- Astronaut appearances give your guests a chance to mingle, ask questions and snap a selfie with a veteran NASA astronaut
- Meet Spaceperson during a character appearance
- Customize your event with a special menu

Gateway: The Deep Space Launch Complex[®]

Explore the future of space travel and learn what is happening right now in our space program during your next reception. In this bold new attraction, see the visionary designs paving the way of human deep space travel and discover the current cutting-edge space exploration innovations from NASA and commercial partners. Then, enter the spaceport of the future, Spaceport KSC. With your commander steering the path, launch aboard one of four unique deep-space journeys during an immersive ride. Gateway's stunning and modern spacecraft, simulators and exhibits are sure to evoke excitement for the next steps in human discovery.

CAPACITY

Reception: 500 people Seated: 200 people

SPACE SHUTTLE ATLANTIS®

A SHIP LIKE NO OTHER

Imagine your event underneath the spaceship that traveled 125.9 million miles. Stand in awe of an American icon and be inspired by the 30-year history of space exploration during NASA's Space Shuttle Program. It happens at Space Shuttle Atlantis®. After hours, Space Shuttle Atlantis transforms to an upscale multi-use venue. Throughout the evening, guests are welcome to explore and experience over 60 interactive exhibits and depart with thrilling memories of your unique event.

CAPACITY – Reception: 1,000 people Seated: 250 people

APOLLO/SATURN V CENTER

RACE TO THE MOON

The spirit and historic scope of the Apollo Moon landing missions are authentically recaptured in this enormous 100,000-square foot facility. Imagine the largest rocket ever flown, the mighty Saturn V, as the centerpiece of your event. Guests experience a dramatic and moving multi-sensory presentation of the Apollo 8 launch, before an actual 363-foot, 6.2 million pound Saturn V rocket is revealed. Guests have a front row seat as they relive Neil Armstrong taking his first small steps on the lunar surface.

CAPACITY – Reception: 2,000 people Seated: 500 people

HEROES & LEGENDS

FEATURING THE U.S. ASTRONAUT HALL OF FAME

presented by Boeing®

Discover what it means to be a hero through the stories of NASA's space pioneers at Heroes & Legends. Relive the thrills and dangers of America's earliest space missions and embark on an awe-inspiring journey designed to spark thought about how humans define a hero. Heroes & Legends includes a mix of 4D multisensory theater and actual artifacts including a Redstone rocket suspended overhead along with the Sigma 7 capsule and a unique close-up look at the Gemini 9 capsule. Envisioned as a place where American astronauts are remembered and honored, the U.S. Astronaut Hall of Fame, features compelling displays about these elite astronauts.

CAPACITY

Reception: 100 people Seated: 60 people

DR. KURT H. DEBUS CONFERENCE FACILITY

CAPACITY*

Reception: 500 people
Seated: 220 people

**The ballroom can be separated into 3 functional rooms.*

IMPRESS YOUR GUESTS

Remember the early space missions at the Debus Conference Facility, surrounded by the larger-than-life Rocket Garden. The pioneering spirit of America's early space explorers makes a stirring impression. Groups can draw inspiration from both the setting and the accomplishments it celebrates. Located behind Heroes & Legends featuring the U.S. Astronaut Hall of Fame presented by Boeing, this venue is steeped in the excitement of early space exploration and details of the pioneering astronauts that took us there.

ASTRONAUTS MEET HERE

Sometimes, you just want to get out of the office! Find inspiration where hundreds of astronauts have left the planet, and where future space explorers will eventually continue beyond Earth's orbit. The conference facility can be used in its full capacity as one room or converted into separate functional rooms with each supported by a multimedia system and full-service kitchen staffed by an award-winning chef.

APOLLO/ SATURN V CENTER CONFERENCE ROOM

No place on Earth leaves a grander impression at the Apollo/Saturn V Center. The conference room is a retro-inspired venue, once utilized for only NASA executives.

The conference room overlooks the Apollo/Saturn V Center's main attraction: a real 363-foot long Saturn V rocket. Guests can also go outside onto the patio to enjoy a view of the launch pads across the Banana Creek. Located upstairs, this venue ensures privacy with unparalleled bird's eye views.

Guests can explore the Apollo/Saturn V Center on their own. The facility pays homage to the people and machines that made the improbable possible and the future seem bigger than we ever dared to dream.

CAPACITY

Reception: 50 people
Seated: 24 people

ASTRONAUT TRAINING EXPERIENCE

TEAM BUILDING ACTIVITIES

Astronauts may be the ultimate team players. Forget the ice breakers and show your team a uniquely fun time with our interactive programs that help create a collaborative mentality. Your team can be a part of the next generation of space explorers that prepare for human's deep space travel in the all-new Astronaut Training Experience® (ATX).

In a private ATX, you and your team will train like an astronaut preparing for the next mission to Mars like nowhere else on Earth. Join your crew as you complete a mission simulation including launching, landing and walking on Mars, and perform a spacewalk in a microgravity simulation environment. Sharpen your teamwork, communication and collaboration skills with each of these programs.

Programs range from four to five hours in length, depending on guest count.

CAPACITY

Minimum 24 guests for private program

ADMISSION AND PRIVATE TOURS

The space program's past and future come alive thanks to the insight of an expert communicator guided tour. Go behind NASA's gates to see views of the operational side of America's multi-user spaceport. Then, explore the many Kennedy Space Center Visitor Complex exhibits and attractions like the Apollo/Saturn V Center, Space Shuttle Atlantis, Heroes and Legends, and the all-new Gateway: The Deep Space Launch Complex.

Guests will conclude their day with thrilling memories and awe-inspiring feelings of some of human's greatest accomplishments.
